LAHORE – THE HEART OF PUNJAB

Brimming with passion, colorful characters, and breathtaking scenery, Lahore is commonly known as any visitor's favorite destination. Lahore is the capital city of Pakistan's Punjab province. Lahore is the centre for much of the arts, culture, and intellectual thought that drives Pakistan. The most famous Punjabi saying about Lahore embodies this feeling: 'Lahore, Lahore hai' which translates, 'Lahore is Lahore'. It conveys the sense that loving Lahore for all its beauty, and imperfections, is something so normal that it simply goes without saying.

SIGNING CEREMONY

Green View Apartment is a unique project of its kind. It is the first time DHA has approved of a joint venture in years. The venture was signed during a prestigious ceremony, as Value Group collaborated with the Defence Housing Authority to lay the foundation of this residential project.

GROUNDBREAKING

Upon this prestigious occasion of the groundbreaking of Green View Executive Apartments, Chairman Value Group Mian Zahid Islam and Administrator DHA Brig. Waheed Gull Satti were also present. They kickstarted the project by symbolically digging through the site with a shovel. The effort of pursuing the project aggressively was appreciated and the promise to complete the project before time was made.

ABOUT US

Being in the Real Estate sector for years, Green View and Value Group has never failed to mesmerize its audience through its enthralling and beguiling projects.

This time around, we bring you the highly anticipated Green View Executive Apartments, right in the heart of our beloved city, Lahore.

Our projects radiate lavishness and innovation, as we try to lay a positive impact on society by providing an exclusive lifestyle. Bewitching the serenity of Lahore, Green View Apartments oozes class, while revolutionizing the residential sector.

Towering over 4 Kanals and 7 floors, these luxury apartments may fascinate you with their sheer brilliance.

CHAIRMAN'S MESSAGE

Value Group has been striving, since its inception, to become an inspiration for its competitors in building harmonious communities which create a powerful impact of beauty in Lahore City. This is only possible by combining a strong business strategy with robust, out-of-the-box thinking and foolproof implementation strategies. Applying these rules we have been able to establish innovative and distinct flagship developments previously.

Value Group also works as the vital element of the real estate market in Pakistan that contributes to the national economy by driving in foreign and local investments and generating development and trade activities. It also generates opportunities for real estate developers and builders, buyers, investors, and affiliated industries.

The Value Group enjoys a strong reputation for outstanding value at a competitive price. Combine this with iconic developments and an experienced management team, Value Group is 'building for the future' in every sense.
